Dear Vendor Colleague,

My name is Pat Crombie and I serve as the Project Director for the Massachusetts Action Coalition (MAAC), a multi stakeholder organization co-led by the Organization of Nurse Leaders (ONL) of MA, RI, NH & CT and MA Department of Higher Education (DHE). The MAAC is leading the statewide campaign to transform health care and build healthy communities through nursing education and practice innovations. For the past three years MAAC has hosted a workforce summit highlighting and celebrating the work we are doing to advance nursing education, increase nurse diversity and promote full practice authority for our APRN colleagues. This year we will be hosting a Summit entitled “**Innovation, Education and Partnerships for Building a Culture of Health**” at Devens Commons Conference Center. Our attendees serve in roles such as Deans, Directors, Faculty, Senior Nurse Practice leaders, and Healthcare leaders from across the continuum.

The program will take place on **September 30th from 8:30 am – 3:30 pm** and exhibitor space is available for \$500.00. Your exhibitor fee will include a 6” table, breakfast and lunch for two, access to the program content if space allows.
