

## **PA-AC Stakeholder Survey**

The Pennsylvania Action Coalition (PA-AC) was established to promote a healthy Pennsylvania through improvements in the quality, accessibility, and safety of nursing. Partnerships with our stakeholders allow us to implement initiatives that strengthen the nursing workforce. The purpose of this survey is to increase engagement in our activities, encourage new participation, provide an opportunity for feedback across the PA-AC, and recognizing new interests.

Most of the questions below reference the [2017-2018 Strategic Plan](#) for the Pennsylvania Action Coalition.
