

FUTURE OF NURSING™

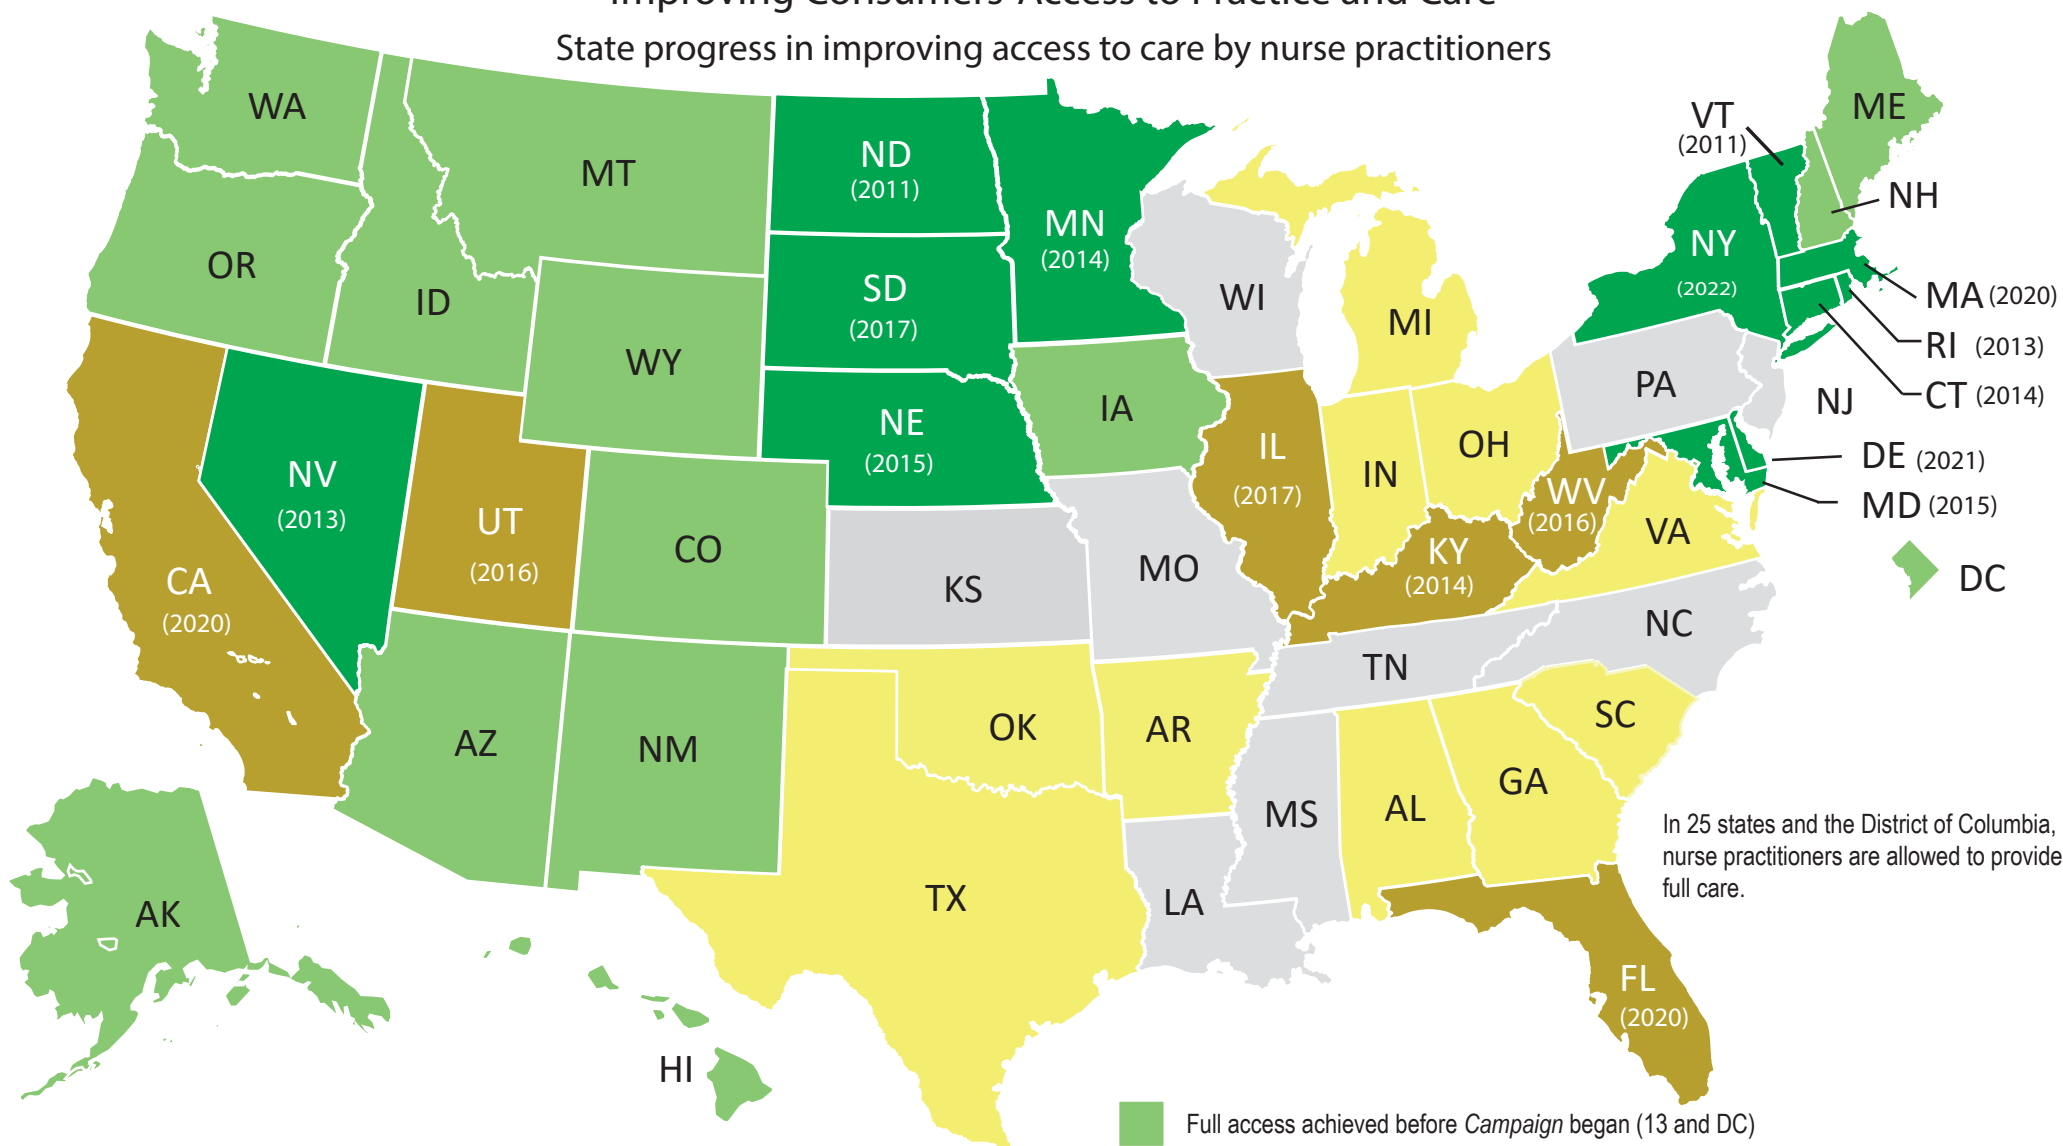

Campaign for Action

Improving Consumers' Access to Practice and Care

State progress in improving access to care by nurse practitioners

Robert Wood Johnson Foundation

AARP Foundation®

In 25 states and the District of Columbia, nurse practitioners are allowed to provide full care.

For more detail about the practice environment for all types of APRNs, see the National Council of State Boards of Nursing's maps: <https://www.ncsbn.org/5397.htm>.
