

# 2024 MENTORING FOR STUDENT SUCCESS: APU NCLEX SUCCESS: 64% TO 100% PASS RATE

Facilitator: Annette Rearden MSN, RN

**FUTURE OF NURSING™**  
Campaign for Action

 AARP Foundation

 Robert Wood Johnson Foundation

## OBJECTIVES

- Discuss APU NCLEX pass rates past (2022) and present (2024)
- Explore the development and implementation of various strategies used to improve NCLEX pass rates
- Discuss plans to monitor and evaluate student progress

HOW DOES THIS MAKE YOU FEEL?

Annual NCLEX Pass Rate

64%

## IMMEDIATE CHANGES:

### With faculty

- Faculty and student buy in
- Faculty professional development
- Engage in data driven decision making
  - Policies and procedures
  - Grading scale

### With partnerships

- Integration of clinical and theoretical knowledge
- Develop and implement effective teaching strategies
- Timing of curriculum and assignments
- Work study program flexibility

# IMMEDIATE CHANGES: STUDENTS

## Identify early

- Foster a supportive learning environment
- Targeted, individualized remediation and test prep
- NCLEX workshops and continued support during summer and post graduation
- Celebrate successes: One and Done!

## Communicate often

- Facilitate collaborative learning and peer support
  - Graduates and AN/AI Mentorship Program
- Curriculum alignment and review of assignments
- Student feedback: More in person class time and in person testing

# INTERMEDIATE AND LONG TERM CHANGES

## Data driven

- Mountain Measurement
- Admissions and Program Evaluation Committees
- Partnership feedback
- Student feedback

## Program specific

- Admission requirements updated
- Curriculum revision and course sequencing
- Program chairs: Division of labor
- Faculty development

**CELEBRATE SUCCESS!  
THANKS TO OUR STUDENTS, FACULTY, STAFF AND COMMUNITY**
